PROGRESSING

AANYA'S INSIGHTS

Discovering Your Strengths, Inspiring Your Growth

Physical Development

Encourage outdoor play, yoga, balancing activities, running, jumping, and fine motor tasks such as colouring, threading, and clay modelling to strengthen coordination and physical confidence.

Vitality & Well-being

Practise simple breathing exercises, maintain healthy eating habits, ensure adequate sleep, and encourage active play every day to build energy, stamina, and overall well-being.

Language & Literacy Development

Read storybooks together, encourage conversations, sing rhymes, introduce new vocabulary, and provide opportunities for storytelling and picture reading to strengthen communication skills.

Socio-emotional & Ethical Development

Promote kindness, sharing, gratitude, and respectful communication through family interactions, role play, and group activities to build emotional confidence and empathy.

Cognitive Development

Explore puzzles, sorting games, building blocks, observation activities, and simple problem-solving tasks to nurture curiosity, reasoning, and independent thinking.

Aesthetic & Cultural Development

Encourage drawing, painting, music, dance, storytelling, craft work, and imaginative play to inspire creativity, joyful expression, and appreciation for art and culture.

Positive encouragement and praises go long way in building the child's confidence and holistic growth.
